INDONESIA	SÃO TOMÉ AND PRÍNCIPE		

Jurisdictions with strategic AML/CFT deficiencies that have not made sufficient progress in addressing the deficiencies or have not committed to an action plan developed with the FATF to address the deficiencies. The FATF calls on its members to consider the risks arising from the deficiencies associated with each jurisdiction, as described at 2 above.

**This jurisdiction has not made sufficient progress since being identified in the Public Statement of June 2011. If this jurisdiction does not take significant actions by February 22, 2013, FATF calls upon countries to take additional steps as necessary proportionate to the risks arising from the deficiencies associated with Turkey.*
