ELEVENTH REPORT OF THE ELECTIONS AND BOUNDARIES COMMISSION ON ITS DEFINITION AND REVIEW OF THE BOUNDARIES OF THE ELECTORAL DISTRICTS IN THE ELECTORAL AREA OF TOBAGO

TO: *THE HONOURABLE FRANKLIN KHAN, MINISTER OF RURAL DEVELOPMENT AND LOCAL GOVERNMENT, KENT HOUSE, MARAVAL*

1. In accordance with section 4 of the Elections and Boundaries Commission (Local Government and Tobago House of Assembly) Act, Chap. 25:50 (“the Act”) the Elections and Boundaries Commission (“the Commission”) submits its *Eleventh Report on the Definition and Review of the Boundaries of the Electoral Districts in the Electoral Area of Tobago*.
2. Section 4(1) and (2) of the Act provide as follows:
  - “4. (1) The Commission shall define and review the boundaries of the electoral districts into which an electoral area is, or is to be, divided and shall submit to the Minister reports either—
    - (a) showing the constituencies into which it recommends that an electoral area should be divided in order to give effect to the Rules set out in the Second Schedule; or
    - (b) stating that, in the opinion of the Commission, no alteration is required to the existing number of (sic) boundaries of electoral districts in order to give effect to the said Rules.
  - (2) Reports under subsection (1) shall be submitted by the Commission—
    - (a) in the case of its first report after the commencement of this Act, not later than six months after the date of the commencement;
    - (b) in the case of any subsequent report, not less than two nor more than three years from the date of the submission of its last report; and
    - (c) in the case of a report in reference to Tobago, not less than two nor more than four years from the date of submission of the last report.”.
3. The last report on the electoral area of Tobago was submitted to the then Honourable Minister of Local Government on 8th October, 2012. Consequently, the deadline for the presentation of the instant report is 7th October, 2016. The last election to the Tobago House of Assembly was held on 21st January, 2013. Therefore, should the Assembly run its full term, the next election to that body becomes due not later than three (3) months after the statutory dissolution of the Assembly in January 2017, as is prescribed by section 22 of the Tobago House of Assembly Act (No. 40 of 1996).
4. For present purposes, the effect of the provisions of Part III of the Act are as follows:
  - (1) Tobago is divided into twelve electoral districts; and
  - (2) The Commission may, in consideration of Rule 3 of the Second Schedule of the Act, vary the number of electors in any electoral district, “provided that in no case shall the number of electors in any one electoral district of an electoral area exceed or be less than the number of electors in any other electoral district of that electoral area by more than twenty-five percent.”

Rule 3 referred to above, provides as follows:

“In the division of electoral districts in regional electoral areas natural boundaries such as major highways and rivers shall be used wherever possible.”

viii

5. For the purpose of consideration of its recommendations, the Commission compared the electorate of 2012 with that of 2016. The relevant data are set out in the table attached hereto and marked **Appendix A**. This revealed, *inter alia*, that:
- (a) the electorate in the twelve (12) electoral districts of Tobago rose from 46,095 to 48,677, an increase of 2,582;
  - (b) the highest electorate is 4,462;
  - (c) the lowest electorate is 3,625;
  - (d) the highest electorate exceeds the lowest by twenty-three point zero eight per cent (23.08%);
  - (e) the lowest electorate is eighteen point seven five per cent (18.75%) below the highest electorate;
  - (f) twenty-five per cent (25%) below the highest electorate is equal to 3,346; and
  - (g) twenty-five per cent (25%) above the lowest electorate is equal to 4,531.
- Therefore, the electorate in each of the electoral districts neither exceeds nor is less than the number of electors in any other district of the electoral area of Tobago by more than twenty-five per cent (25%).
6. Consequently, the Commission considers that no adjustment is necessary to the boundaries of the electoral districts of the electoral area of Tobago.
7. The Commission accordingly recommends that there should be no change in the boundaries of the twelve electoral districts in the electoral area of Tobago.
8. The Commission further recommends that:
- (i) each of the said twelve electoral districts of the electoral area of Tobago should carry the names as shown in **Appendix B** attached hereto;
  - (ii) each of the said twelve electoral districts should be defined as stated in **Appendix C** attached hereto; and
  - (iii) each of the twelve electoral districts in the said electoral area of Tobago should be delineated and defined as described in the composite map attached hereto as **Appendix D** and titled *Map of the Electoral Area of Tobago*.

Dated this 29th day of September, 2016.
